PROFESSIONAL SUMMARY

Motivated and detail-oriented **Junior Full-Stack Software Developer** with hands-on experience designing and developing modern, responsive web applications using **JavaScript, TypeScript, React, Next.js, Tailwind CSS, Node.js, Express.js, Supabase, and PostgreSQL.**

Experienced in building responsive user interfaces, reusable components, authentication systems, database-driven applications, CRUD functionality, API integration, user dashboards, and cloud-deployed web applications.

Developed and deployed a full-stack **Learning Management System (LMS)** featuring authentication, user profiles, course management, lesson delivery, enrollment, dashboards, and persistent learning-progress tracking.

TECHNICAL SKILLS

Programming Languages

- JavaScript (ES6+)
- TypeScript
- HTML5
- CSS3
- SQL

Frontend Development

- React.js
- Next.js
- Tailwind CSS
- Responsive Web Design
- Component-Based Architecture
- State Management
- Form Handling and Validation

- UI Development

Database & Backend Services

- PostgreSQL
- Supabase
- Relational Database Design
- SQL Queries
- Database Relationships
- Row-Level Security
- User Authentication

Tools & Technologies

- Git
- GitHub
- VS Code
- Vercel
- npm
- Chrome DevTools
- Command Line / Terminal

Software Engineering Skills

- Debugging & Troubleshooting
- Problem Solving
- Database Design
- API Integration
- Authentication & Authorization
- Reusable Components
- Responsive Development
- Version Control
- Cloud Deployment
- Continuous Learning

SELECTED PROJECTS

1. LEARNING MANAGEMENT SYSTEM (LMS)

Full-Stack Web Application

Technologies: Next.js, React, TypeScript, Tailwind CSS, Supabase, PostgreSQL

- Developed a full-featured learning management platform with authentication, course management, lesson tracking and student dashboards.

- Implemented student progress monitoring, profiles, certificates, course curriculum and responsive navigation.
- Integrated Supabase for authentication and database functionality.
- Designed a modern responsive interface with interactive components and dark-mode styling.
- Deployed the application using Vercel and resolved development and production build issues.

2. INTERACTIVE COMMENT SECTION

React | JavaScript | CSS

- Built an interactive comment system with dynamic rendering and user interactions.
- Implemented component state and event handling to manage application behaviour.
- Created responsive layouts for different screen sizes.

3. WEATHER APPLICATION

JavaScript | REST API | HTML | CSS

- Developed an API-powered weather application that retrieves and displays location-based weather information.
- Implemented dynamic data rendering and responsive interface components.
- Practiced asynchronous JavaScript, API integration and error handling.

4. ROCK PAPER SCISSORS GAME

JavaScript | HTML | CSS

- Built an interactive browser game with real-time user input and game logic.
- Implemented score tracking and dynamic UI updates.
-

EDUCATION

BACHELOR OF SCIENCE (B.Sc.) — ZOOLOGY

University of Benin (UNIBEN), Nigeria

Graduated: 2024

Major: Biological Science

Minor: English
